

IME
Ironmonger Events Limited

**IME Purpose Built Venue
For Children's Entertainment**

If you are looking for a one of a kind venue ideally suited to children's entertainment, then look no further than IME's purpose built marquee

IME is offering, a purpose built venue with both indoor and outdoor space which lends itself perfectly to children's parties. Located just a few minutes from Central, this top class venue has already been host to several fantastic children's parties, as well high end class corporate events and hospitality.

Benefits:

As well as being far more cost effective than other alternatives on HK Island, IME offers a fully flexible space that can be adapted depending on the numbers attending your event. When operated at full capacity, the area offers one of the largest entertaining space on the island. Both the indoor and outdoor space can be fully utilized and the area offers a blank canvas which can be themed to more than meet every child's imagination.

IME can put together a variety of packages F&B packages depending on your requirement

These can include sit down meals, buffets (for both adults and kids), canapés and drinks packages. Please ask IME for more details.

Inclusive:

- 50m x 20m marquee (hard floored, carpeted, temperature controlled)
- House lighting
- Stage with stage lighting
- Background music
- Elegant, colour coordinated table linen and chair covers (if required)
- Full-time butler service dedicated to your function
- Skirted registration table
- Indoor and outdoor area
- Round table seating as required

Entertainment:

IME is one of the leading event management companies in Hong Kong and are experts in organizing children's parties. We work closely with the best entertainers in town and can organize a wide array of entertainment. IME's in house team can also advise and organize all aspects of your event including audio visual effects, themes, décor, event management, staffing and design.
